**Subject:** Question on Status of CZARA Action Items in Order to Schedule Staff Level Discussions

Hi Gene,:

I would like to schedule a meeting with staff level folks from EPA, NOAA and DEQ to discuss the following CZARA action items and wondered if the following items will be distributed before the end of April. I am thinking of scheduling a meeting in May.

Forestry

Joshua Seeds, DEQ, will distribute the outline of the White Paper by the end of March.

New Development

Gene Foster, DEQ, will distribute the revised draft "Guidance for TMDL Implementation Plan Development for Urban/Rural Residential Land Uses within the Coastal Zone Management Area" by April 15, 2012.

Regards,
